

CRI Internship and Research Assistant Application Form - 2024

Student Applicant Information:

Last Name

First Name

Student ID

Lion Email Address

Cell Phone Number

Major(s)

Minor(s)

Cumulative GPA

Expected Graduation Year

Please confirm your availability 25-30 hrs/wk during Summer Session I

☐ Summer Session I: 13 May - 21 June 2024

Housing Need (must check one)*:

☐ Yes

☐ No

**Note: Housing is not guaranteed. If you check 'yes', it will be considered a commitment to housing. Cancellation fees will be owed by the student. Housing stipend covers the cost of a 2 person room charge.*

**Select the Internship / Research Assistant opportunity for which you are applying
(Note: Please select any that interest you. Final opportunities may vary):**

☐ Seagrass Ecology Research and Conservation - Dr. Bittick

☐ Understanding Variation in Flora Scent Emissions in Coastal Dunes – Dr. Eisen

☐ Marine Invertebrate Physiology Research - Dr. Vasquez

☐ Coastal Dune Ecology - The Bay Foundation Staff

The Internship and Research Assistant opportunities are a partnership between Seaver College faculty and staff of The Bay Foundation who support the work of the Coastal Research Institute. Work expectations may vary but will require approximately 25-30 hours per week for 6 weeks and a shorter weekly time commitment during the following academic year.

Why are you interested in participating in summer research opportunities?
Which opportunity would be your first research choice (and second)? (400 words maximum)

Describe your previous field research and/or laboratory experience. (400 words maximum)

List relevant skills, interests, or computer software proficiency (e.g., Microsoft Office suite, Adobe Office suite, R, ArcGIS, Python, other modeling software). (200 words maximum)

Are you available for the entirety of the Internship or Research Assistantship? (Note: Commitment is a minimum of 25 hrs/week with occasional weekend work as required. Intern/RA will continue during the following academic year).

☐ Yes

☐ No

Expectations: By submitting this application, you acknowledge and understand that you will follow expectations for the Internship and Research Assistant program, adhere to the requirements set by the project mentor, and prioritize this program over other summer commitments and obligations. You will complete the required number of hours during Summer Session I as well as commit to continuing your research or internship the following academic school year (at a reduced number of hours per week - to be determined).

☐ I have read and agree to the above statements. I verify that submitted information is accurate.

Submit your completed Application Form and a current resume electronically as pdf attachments to CRI@lmu.edu on or before Wednesday, March 13, 2024, at 5 PM (Pacific Time).

Late applications will not be accepted.
