

CRI Internship and Research Assistant Application Form - 2022

Student Applicant Information:

Last Name

First Name

Student ID

Lion Email Address

Cell Phone Number

Major(s)

Minor(s)

Cumulative GPA

Expected Graduation Year

Please confirm your availability 25-30 hrs/wk during Summer Session I, II, or both (work will continue in a reduced capacity during the academic year):

Summer Session I: 16 May - 24 June 2022

Summer Session II: 27 June - 5 August 2022

Housing Needed (must check one)*:

Yes

No

**Note: Housing is not guaranteed. If you check 'yes', it will be considered a commitment to housing. Cancellation fees will be owed by the student.*

Select the Internship / Research Assistant opportunity for which you are applying (Note: Please select any that interest you. Final opportunities may vary):

Beach Characterization Studies - Dr. Dorsey (Summer Session I or II)

Seagrass Ecology Research and Conservation - Dr. Bittick (Summer Session I only)

Harmful Algal Bloom Dynamics - Dr. Bratcher-Covino (Summer Session I only)

Marine Invertebrate Physiology Research - Dr. Vasquez (Summer Session I only)

Tree Swallow Nesting Research - Dr. Covino (Summer Session II only)

Dune and Wetland Habitat Restoration - TBF (Summer Session I or II)

Spatial Analysis of Kelp Forest Restoration - TBF (Summer Session I or II)

The Internship and Research Assistant opportunities are a partnership between Seaver College faculty and staff of The Bay Foundation who support the work of the Coastal Research Institute. Work expectations may vary, but will require approximately 25-30 hours per week for 6 weeks and a shorter weekly time commitment during the following academic year.

Why are you interested in participating in summer research opportunities?
Which opportunity would be your first research choice (and second)? (400 words maximum)

Describe your previous field research and/or laboratory experience. (400 words maximum)

List relevant skills, interests, or computer software proficiency (e.g., Microsoft Office suite, Adobe Office suite, R, ArcGIS, Python, other modeling software). (200 words maximum)

Are you available for the entirety of the Internship or Research Assistantship? (Note: Commitment is a minimum of 25 hrs/week with occasional weekend work as required. Intern/RA will continue during the following academic year).

Yes

No

Expectations: By submitting this application, you acknowledge and understand that you will follow expectations for the Internship and Research Assistant program, adhere to the requirements set by the project mentor, and prioritize this program over other summer commitments and obligations. You will complete the required number of hours during the allocated Summer Session as well as commit to continuing your research or internship the following academic school year (at a reduced number of hours per week - to be determined).

I have read and agree to the above statements. I verify that submitted information is accurate.

**Submit your completed Application Form and a current resume electronically as pdf attachments to CRI@lmu.edu on or before Monday, April 4, 2022, at 5 PM (Pacific Time).
*Late applications will not be accepted.***
